

LUMINAIRE SPECIFICATION

| | | | |
|----------------|---------------------------|------------|-------------|
| Luminaire Ref: | Adjustable Inground Light | Prod Code: | HD-I31036WX |
|----------------|---------------------------|------------|-------------|

| Source Data | | Light Fittings Data | |
|------------------------------|------------|------------------------------|--|
| Source Type : | LED | Housing: | Anodized Aluminum 6061.+ Top SS Cover |
| Lamp Load : | 24W 45W | Safety Glass: | Tempered Glass |
| LED Chip: | OSRAM | IP Rating: | IP67 |
| Color: | 3000K | IK Rating | IK10 |
| Input Voltage: | AC220V | Size: | L1030*W105*H125mm |
| Beam Angle: | Elliptical | Gasket: | Tooling Shaped Seal |
| Color renderingi(Ra): | >80 | Ambient temperature : | -25°C~ +60°C |
| Powerfactor(PF): | >0.9 | PCB: | Excellent heat conductivity aluminum coefficient of heat conductivity $\geq 2.0w/mk$ |
| Output Lumen: | >3825 | Warranty: | 3 Years |
| Control | On, Off | | |
| Weight | 4 KG | | |
